

Commemorating First Responders

A program honoring fallen heroes in our communities

Presented by Wilbert Funeral Services, Inc (WFSI) and Wilbert Licensees, in cooperation with area funeral professionals

Commemorating First Responders provides families of firefighters, law enforcement officers and emergency medical personnel who have died in the line of duty with a tribute worthy of their valor and sacrifice.

At no charge to the family, Wilbert and Wilbert Licensees donate a customized Wilbert Stainless Steel Triune® burial vault. If the choice is cremation, we offer a selection of four urns, as well as a Stainless Steel Triune urn vault for memorial tribute. Engraving of the urn is included.

Each vault is customized with a Wilbert Legacy Series™ print depicting the hero's profession (if available) or a Legacy Custom Series™ print personalized with photos from the family.

If permitted by the cemetery, a WilbertWay® graveside service may also be included, which consists of a tent and chairs for the family, the personalized vault cover on display, and the final sealing and lowering of the vault.

For additional information on Wilbert's Commemorating First Responders program, contact:

How the program works:

1. WFSI is notified by the respective first responder organization about the line-of-duty death.
2. That organization also notifies the family about the Commemorating First Responders program and learns which funeral home will be serving the family.
3. WFSI or the local Wilbert Licensee contacts the funeral home to remind them about the free vault or cremation option.
4. The funeral professional helps the family choose options and arrange the service.

Wilbert and our network of nearly 200 Licensees throughout the United States and Canada are honored to help families commemorate heroic lives, sacrificed in valiant service to neighbor and community.
