

## THE DENNY HUSK COLLEGE SCHOLARSHIPS

The Retired Association is proud to offer the eighteenth annual college scholarship, which will be awarded by lottery to the child or grandchild of a retired Prince George's County officer who is in good standing (dues paid for the current year). There are three \$1500 scholarships given in two \$750 installments, one at the beginning of each semester. If you have more than one eligible candidate, you may copy this form. **Any new or current student is eligible as long as their sponsoring retiree is up to date on his dues or dues exempt.**

**The deadline for submission is August 31, 2022. This means the entry form and required paperwork must be in our mailbox at the FOP by this date.**

**Applicants will have to submit proof of enrollment to include copies of both the letter of acceptance to the college and a tuition bill for the upcoming semester.** Students other than first semester freshman must submit their last grade transcript, which must be 2.0 or better. Payment for the second semester will require a grade transcript of 2.0 or better. The winner must submit their transcript in January before the second payment is mailed to them. In the event, that the winner of the fall scholarship does not meet grade requirements, a new drawing for the spring semester will be held from the same applicant pool.
