

On this date April 23, 2020

Fraternal Order of Police Prince Georges county Maryland

Stanley Steemer has agreed to offer all FOP officers of Prince Georges county Maryland with a 20% off discount(min apply) on their cleaning needs due to the Covid-19 Pandemic.

Officers should call 1-800-783-3637 to schedule cleaning services.

Our services will include with the purchase of any cleaning a disinfectant cleaning solution.

A Few of the additional services we offer at participating locations will be hard surface wipe down cleaning (door knobs, counter tops, hand rails). This service should be discussed with your cleaning team at the home. Additionally at participating locations we can offer a disinfectant fogging of autos (price per vehicle).

All officers need to do is show a copy of this letter to the cleaning team in your home!

Thank you for you for this opportunity to help keep our men and women of the FOP safe and healthy!
